Done Internet

1. Click on 'Join Community.'
2. The site is tied to the AMEDDC&S Knowledge Exchange (KE). If you already have a profile (user ID and Password) created in the KE, use that same information as your login. If you do not have a KE profile, go to number 3 and follow the procedure listed.
(NOTE: this is the KE and not the AKO.)
3. If you do not have a Knowledge Exchange profile (user ID and password), then follow the new user link and complete the profile. You will need the login information for each time you access the COP, so you might want to record it in an easy accessible place.
4. You will receive an email notification clearing you to enter the site.
